**District Superintendent's Report**

The School District of Marlboro County is steadily moving in a positive direction to reach its potential. Throughout the 2008-09 school year, Marlboro County experienced continued success in a number of areas due to the dedication, commitment, and hard work of teachers, paraprofessionals, administrators, and school board members. While the students in Marlboro County come from a variety of backgrounds, multiple levels of parental expectations, and vast differences in family values, the students come to school every day with the common goal to grow, mature, and enter the world of adulthood as prepared, productive, and successful citizens. The community as a whole must work cooperatively to make this goal a reality.

The focus of instruction is the state content standards to insure that students are academically prepared to move successfully from one level to the next. The goal is a year of academic growth for a year of academic study. Teachers differentiate classroom instruction to meet the needs of individual students. Measures of Academic Progress (MAP) scores are routinely analyzed to monitor student progress to insure this is happening and to validate that students are making progress. Concentrated effort is geared to developing and remediating students' foundations for literacy and to strengthening their reading, language arts, math, social studies, and science skills. To further monitor student achievement and success, teachers focus on curriculum design assessment and evaluation of student performance and teaching for understanding.

Many noteworthy accomplishments were documented during 2008-09. The Teacher Advancement Program (TAP) was expanded. SAT scores increased. Bennettsville Middle School was named a Green Power Solar School. Marlboro School of Discovery received a Palmetto Gold Award, and Marlboro High School received both a Palmetto Silver Award and a "Promising Practices" Award in Character Education. The high school opened its new cosmetology lab, the "Mane Attraction." These are only a few of the realities that verify that the district is moving forward to meet its potential.

From pre-k to seniors, education in Marlboro County is a complex and exciting adventure. If the district is going to continue to prepare students for success, a team effort is needed. The district needs your involvement and support. Please join our team.

Tommy Clark, Acting Superintendent (March-June 2009)

No Child Left Behind

District Adequate Yearly Progress

No

This district met 17 out of 25 objectives. The objectives included student performance, graduation rate or student attendance, and participation in the state testing program.

Definition: As required by the United States Department of Education, Adequate Yearly Progress specifies that the statewide target is met for "All Students" and for the following subgroups: Racial/Ethnic, Subsidized Meals, Disability, and Limited English Proficiency in the areas of English/Language Arts and Mathematics, as well as meeting the statewide target for "All Students" for attendance or graduation rate.
